

Homework Assignments???

Mrs. DeVantier's Remind 101

Remind 101 is a free app for teachers that allow reminders to parents and students to be sent via text message. Remind 101 is free, convenient, and most importantly, safe! **It will be used to communicate homework, upcoming tests, events and other announcements.**

Teacher, student, and parent information (cell phone number) is not displayed to the sender or receiver. That is, recipients will not be able to see my number, and I will not be able to see theirs.

Participation in Remind 101 is NOT required. However, if you would like to sign-up and receive free reminders, follow the steps below:

For **ELA period 1 and 2** reminders, send a text to **81010** with the message **@edevan**

For **Math periods 3 and 5/6** reminders, send a text to **81010** with the message **@edevant**

For **Advanced Math period 7/8** reminders, send a text to **81010** with the message **@edevantie**

***Please note that the messages for ELA and Math are different... to receive reminders for BOTH classes, you must send two texts with the different messages.**

As always, if you need to reach me, please call me at school at 625-7272 ext. 5423 or e-mail edevantier@starpointcsd.org.

Thank you,

Mrs. DeVantier
